August 26, 2005

Sir:

The June 17, 2005 Notice of Abandonment indicates that Applicants failed to file a timely reply to the Office Action of August 20, 2004.

The undersigned has inspected the records of application Serial No. 09/814,182, which bears the undersigned's firm's docket number 1124.41778X00 and confirms that the file does not contain any Office Actions, including the August 20, 2004 Office Action referred to in the Notice of Abandonment.

The computer records from the undersigned's firm show that no Office Action has been indicated to have been received. A copy is enclosed.

Finally, submitted herewith is a reproduction from the undersigned firm's manual docketing records which shows no Office Action in the above-referenced

application was docketed for a response on November 20, 2004 which would be the end of the shortened statutory period for response nor on February 20, 2005 which would have been the end of the full six-month statutory period for response.

In view of the foregoing showing, it is requested that the application forthwith be returned to pending status and an Office Action forthwith be issued with a new shortened statutory period for response.

To the extent necessary, Applicants petition for an extension of time under 37 C.F.R. §1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (1124.41778X00) and please credit any excess fees to such Deposit Account.

Respectfully submitted,
